VERSE 1

C F C
I am stirred within
F C G C
There's a rumble of some noble theme
F C
And my heart must sing
F C G C
Of the story of my Lord and King
F C
He became like us
F C G C
For to pay our debt with suffering
F C
On a humble cross
F C G
C
He defeated death and conquered sin
F C
And Heaven were rejoicing
G C
As He ascended home
F C
Creation was declaring
G C
"The mystery is made known!"
F C
The hearts of men were open
G Am G F G
And we began to sing our song
C
He has overcome!

VERSE 2

Though the earth give way
And the mountains fall into the sea
I am not afraid
For I know that He has rescued me
And even in my weakness
He has proven strong
And when I am surrounded
He steals me from the throng
And this is all my courage
When I only see the storm
He has overcome!

VERSE 3

And there will come a day
When the story of the earth is done
And we will make our way
To stand before the judgement
throne
And Satan our accuser will bring
up every sin
And every situation we fought but
did not win
But then the blood of Jesus will cry
out
"But their guilt is none for He has
overcome!"
